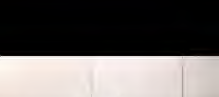
All my memories begin...



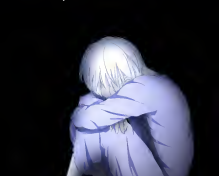
In a laboratory

Even though I couldn't be born as a human,
I was still a human.

Feeling happy, sad, and lonely...

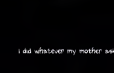
I wanted to live like a human alongside other humans

Calling the one
that gave birth to me 'mother'



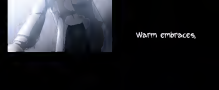
Examinations, operation, drugs,
and experiments.

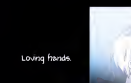
I did whatever my mother asked me to do



Warm embraces,

Loving hands

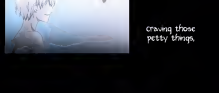




craving those
petty things,

was my existence.

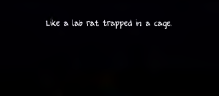
Yes.



I lived obediently in the palm of their hand as they played

But they treated me like a dog until the end

Like a lab rat trapped in a cage

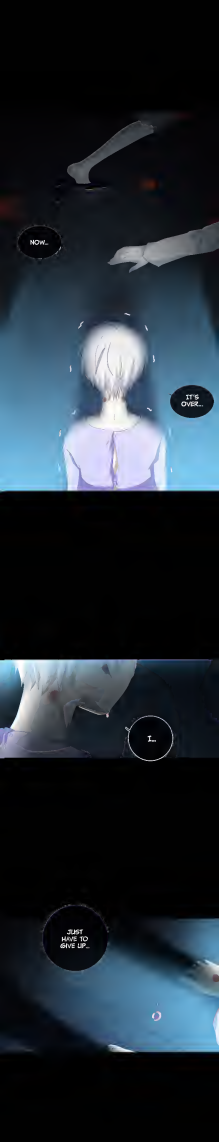


Until i realized

Ah.

To them, i was just
a lab rat that happened to look human

Haa—
Haa—
Haa—
Haa—



NOW...
IT'S OVER...
I...
JUST HAVE TO GIVE UP...
